

2022 HIGH SCHOOL GAMES-TIMING PROCEDURES

Officials must be onsite 30 minutes prior to the start of each game

Home field determines running or stopped clock

JV RUNNING CLOCK (List 1&1A-attached)

- Two 20-minutes halves (halftime to be NO MORE than 10 minutes)
- **RUNNING CLOCK AFTER GOALS**
- Clock stops on every whistle in the last 2 minutes of each half **WHEN THERE IS A FOUL IN THE CSA.** If the goal differential is 10 or more goals, the clock will continue to run in the last 2 minutes on all fouls. If the score becomes less than 10 goals, the clock stops on every whistle in the last 2 minutes if there is a foul in the CSA. **If time runs out prior to the complete administration of a free position, then it shall not be administered.**
- **7 v 7** – some JV teams will play reduced numbers. They will play 15 minutes halves running clock, however you can always accommodate quarters if they would like. This will allow them a few more breaks. The game should not last more than 50 minutes. So please encourage them to play and support their program.
