

Mentor Program

Greetings to all,

For the 2024 season, we at WLUA, are pairing new officials from last season with seasoned umpires for mentorship.

Our goal is to provide new officials with someone to be available to assist with preparation for the season, answer questions related to officiating, help navigate the season, provide guidance for advancement or to assist as needed.

There are no requirements for this program, we just ask that you develop some rules for the relationship; consider deciding how you should communicate; what items are on and off limits; establish a level of confidentiality; short term, mid-term and long term goals for the season; or anything else applicable.

We understand each person's goals are varied, some of you may only officiate youth games, others are working primarily a high school schedule, others may be working to gain a higher rating, regardless of your "why", we believe having someone to provide support can be very helpful.

We are planning on pairing you on games at the St. James as well as games during the season.

If you have any questions, please feel free to contact me.

Thank you,

Brett Bjork
